

Help keep us all healthy!

If you answer “yes” to any of the following questions, please **do not enter** the site, contact your supervisor immediately, and consult with medical personnel:

- 1. Do you have a fever, cough or shortness of breath?**
- 2. Have you been in close contact with someone known to have coronavirus (COVID-19)?**
- 3. Within the past 14 days, have you traveled within an area that the CDC has designated as having widespread concern for COVID-19?**

What can you do to prevent getting sick or spreading the virus?

- Avoid handshakes and direct physical contact with others
- Frequently wash hands with soap for at least 20 seconds (hand sanitizer is an option)
- Cough or sneeze into the crook of your elbow or a tissue, and dispose of tissues properly
- Maintain a 6-foot distance from others whenever possible
- Avoid touching your face, particularly your eyes, nose and mouth
