 COVID-19 “Next Normal” Phased Return Guidelines

Effective: June 1 – June 15, 2020

Circulating Support Staff Protocol: Phased Return to Jobsites

Jobsite Visits

1. Limit jobsite visits to “necessary” or “issue-specific” trips (maximum 2 jobs per week)
2. Attend jobsite meetings (with GC + other trades) virtually or by conference call
3. PTM’s will consist of a combination of “in-person” and “virtual” attendees. If in person, follow protocol for PPE & Hygiene below.

Personal Interaction:

1. Limit personal interaction/communication to our Jobsite Superintendent only
2. Limit outside interaction to the GC Superintendent or Project Manager only (no other trades)
3. Maintain 6’ social distance whenever and wherever possible
4. Meet outdoors whenever possible
5. Crew appreciation lunches shall not consist of “shared food” options. Individually wrapped items are allowed for crew members.

PPE & Hygiene:

1. Standard PPE as appropriate per jobsite expectations
2. Face covering while present on jobsite is mandatory at all times
3. Wash hands prior to entering jobsite
4. Clean and sanitize any common surfaces contacted
5. Wash hands upon exit of jobsite
6. Clean and sanitize vehicle on a regular basis
7. Wash hands upon return to office/home
